I have a valid driver's license: Yes No If Yes, State of Issuance _____

I have reliable transportation: Yes No

If accepted into the program, I can show proof of health insurance coverage. Yes No

Internship Tracks

Option 1: Experiential

In the experiential internship track, interns rotate to three different departments at Juneberry during the summer. Interns would spend 3 weeks in 3 different focus areas described below with 1 week of the internship including a rotation between all departments.

Option 2: Immersive

The immersive internship track allows interns to spend more time in focus areas described below and engage on a deeper level. Students in the immersive internship will work in 2 focus areas spending 5 weeks in each area. During each 5-week rotation, interns will have a project to complete related to the focus area.

I am interested in _____ internship track.

Internship Focus Areas

Market Garden (Required) – 4 hours per week

- Spend time working in the market garden maintaining plant beds, harvesting vegetables, and weeding. Assist with improving market garden space.

1. Livestock

- Holistic planned grazing of livestock and poultry. Learn animal husbandry, fencing, rotational grazing, animal management, budgeting, and storing/marketing products. Complete daily livestock chores and be on call evenings/weekends in case of emergency. Work with livestock team members to manage livestock and poultry rotationally grazing 300 acres.

2. Greenhouse

- Work in both aquaponic and traditional greenhouse spaces. Learn how to manage aquaponic systems, plant nursery, hydroponics, plant propagation, plant production, harvesting and packaging leafy greens and herbs, food safety, and marketing products. Emphasis on facility upkeep and maintaining cleanliness of greenhouse.

3. Facilities Maintenance

- Work across the farm maintaining facilities and equipment. Learn basic maintenance and upkeep of buildings and equipment. Engage in special projects including mechanics and woodworking.

4. Land Management

- Learn land management by working with the land team to maintain landscapes and trails, manage pests, and operate equipment. Emphasis on maintaining horticultural beds (weeding, planting, weed eating, and mowing).

5. Hospitality, Agritourism & Marketing

- **5A: Hospitality & Agritourism**
 - Hospitality: Gain knowledge on the hospitality side of agriculture through maintaining community connections and planning, organizing, facilitating, and executing events. The possibility for culinary experiences with Juneberry chefs based on student interest. Weekend work required for weddings and Sunday brunch; comp days taken during the week.
 - Agritourism: Work with the education foundation to develop programs and curriculum for children, high school students, and adults. Help facilitate summer farm camp for grades 3 – 6, tours for summer camp groups, advertising upcoming programs, and nonprofit operations.
- **5B: Hospitality & Marketing**
 - Hospitality: View above description.
 - Marketing: Work alongside the marketing team to develop strategic marketing plans, create educational content, design and establish JEF branded materials.

List the top 3 areas you would like to focus on described above:
