About the Event

The Juneberry Education Foundation Shoot is a fundraising event for the Foundation. The event is designed to bring agricultural education supporters together for a friendly shooting competition.

This event will gather local residents and local businesses for a fun day of clay shooting, lunch, and awards all in support of the Juneberry Education Foundation.

Audience & Reach

- Expected Attendance: 96 participants + spectators
- Demographics: Local community members, nonprofit and agricultural education supporters
- Marketing Channels: Social media, email newsletters, flyers in local businesses

Why Sponsor?

Sponsoring the Juneberry Education Foundation Shoot provides exposure to a wide and engaged audience, builds community goodwill, and showcases your brand's commitment to regenerative agriculture and agricultural education.
